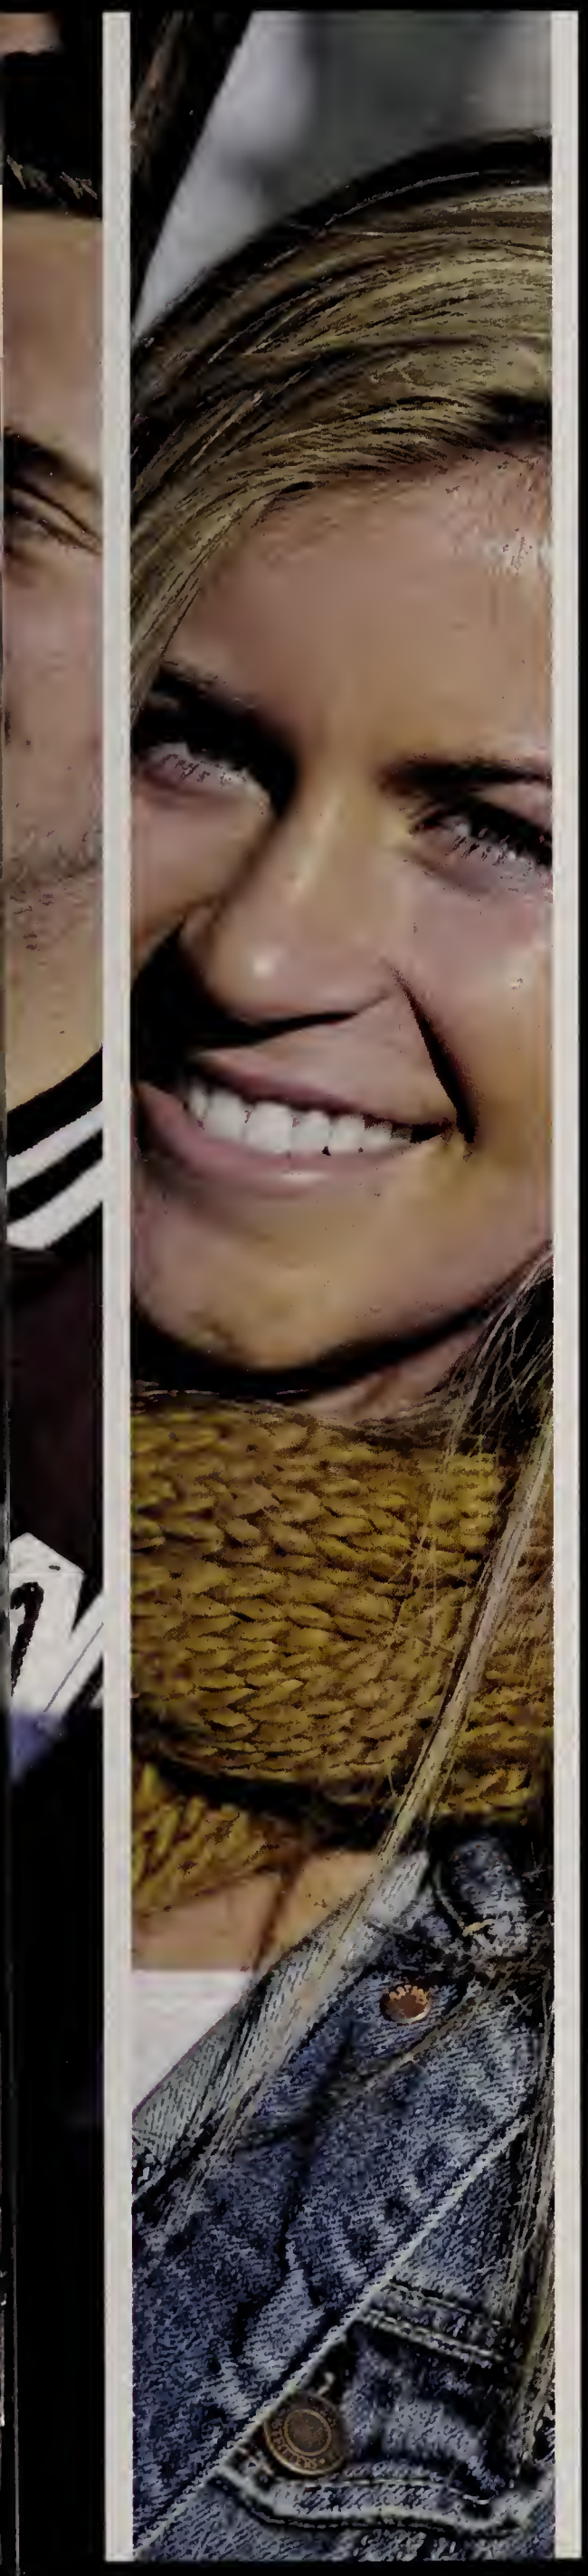
Weston High School - 444 Wellesley Street - Weston - MA - 02493 Enrollment 781



Oh The Places...

Throughout the years we've been to a myriad of places, many of which have played a role in making our dreams come true. Whether it be scoring our first goal on Alphabet Field, becoming a star on The Bug Play stage, or taking our first steps onto The Oregon Trail, we've accomplished a lot in every place we've visited. Each place represents a time and memory that will be cherished forever. They have provided us with feelings of joy, pride, and confidence, however, more importantly, they have given us a growing sense of knowledge and talent that have enabled us to achieve even bigger goals and dreams. Although we've experienced so much and have traveled so far, it is now time for us to look towards the future and broaden our horizons. As we leave Weston High School and go our separate ways, each and every one of us is bound to achieve great heights. It's now our turn to go on and embrace our futures.

"We're all off to great places, we're off and away."

-Dr. Seuss

It is in human nature to change what is around us. I believe we are all here for a purpose, and maybe we have not yet figured out what that purpose is, but I think we are well on our way.
By means of music, I found a way to share my passion with other students, and I can't think of anything for which I am more grateful than the time I spent with my friends. To look back and know that I worked my best to leave this place better than it was before is the best and only resolution I need.
Wherever I may journey, I will forever remember my friends and family, one in the same, who gave my actions meaning, and my experience value.
Thank you all.

Each year, I have learned the strength in positivity. From spending 7 weeks in Nicaragua to surging the last 200 m in my cross-country race, I have trained myself to become a positive spirit. I owe this new outlook on life to my family and their constant support, and to my friends who always come to my rescue. Finally, to my cross-country/track family, we have raced twelve seasons together and have embraced both the triumphs and tragedies. For these bonds and experiences, I am truly grateful.

It's strange to think we'll soon be miles and years apart. It's hard to imagine we've spent four years, maybe more, working, struggling, succeeding together; or perhaps just coexisting. Yet, all things come to end. Wayland-Weston Crew had another awesome season, rowing some great races at Head of the Charles and Saratoga. Despite some insane conditions we still came out on top as State Champions. We have a relatively young team with a lot of great talent, so we expect to see some great racing in the Spring and in the next few years.

The Girls Crew Team had a really strong fall season, placing in top spots at head of the Charles and winning the state championship title again. We're looking forward to another strong, equally successful spring season as well as for many years to come.

2012 was a record setting season for Weston Girls XC! The Wild Kittenz won States, took third at All-States, and won the DCL Small. Their success was due to a tiny 1-7 gap that hovered around 30 seconds throughout the season. The addition of two amazing rookies, Cara Lembo and Patty Atkinson, was crucial to the depth and success of the team. Go Kittenz!
~Captain Abigail Pohl

We have had a terrific season. The Boys Team has come together socially, forming strong friendships and we have achieved success in all disciplines. Together we won the Dual County League for the second season in a row. We owe all of our success to our dedicated coaches who put in countless hours to teach us our sport and hold the team together.

To say the least, Weston Field Hockey defied all odds in both the regular and tournament season. After losing more than half the varsity team with 2012 graduates, we had no choice but to pull it together and make the best of what we had. Our unity and drive can be greatly credited for our DCL Small Champions title and our success of being Division 1 North Sectional Finalists. We were a force to be reckoned with and I'm sure the whole team would agree that this was truly an unforgettable season.

Football had a great start of the season starting out 3-0 but faltered later in the season losing a lot of close games. The team's moral always stayed high and we put up a good fight against many competitive teams. Many players achieved personal and team goals making it a successful season. The program continues to grow with the team working hard in the off season.

This season was superb all around. Although we came up short at the State Championship by one stroke, I felt we were still the best team there. I will take away great memories from this season and I have great faith that the rings will be coming back to Weston in the near future.

It was a great accomplishment to win states and end the season on a high note. Starting off the season with no coach, many people doubted us, but as a team, freshmen all the way up to seniors, we came together and proved people wrong. The struggle during the regular season only proved to our advantage and challenged us to get better come tournament. The seniors could not have asked for a better group of girls to end our high school soccer career.

Volleyball 2012- A Banner Year! Although we got off to a rough 1-4 start, it did not deter our cohesive group. Led by our returning seniors whose goal was to raise our first banner, we were able to turn the season around. We ended with a 15-6 record and went undefeated in league play. We clinched our first ever DCL championship with a come-from-behind win against our arch rival Wayland. We also made it to the state tournament for the first time in the program's history where we advanced to the regional semi-finals.
I am very proud of how hard the team worked and pulled together for an incredibly successful season.

The boys hockey team was particularly a great team because it was full of great guys along with the fact that we had a pretty successful season. Dejorno and Dennehy were spectacular this year. After a slow start, we dominated for a month, going 5-0-2 and jumped to 1st place in the DCL. We went on to make tourny but lost in the heartbreaker first round. Still a heck of a season and will forever be a great memory of mine.

Going into the season, the girls' swim team did not have any expectations due to the significant loss of athletes from last year's graduating class. Both the new and current swimmers nevertheless surprised everyone and improved tremendously throughout the season. What makes me most proud of this year's team is how they persevered through all the setbacks, and came out of the season as a stronger team.

It was a great last indoor track season for the seniors. We won the State Relay and DCL small titles and came really close to the State Championship. It was a really supportive environment, teammates were always pushing each other to do their best.
~Captain Craig Shytle

The girls indoor track team had a really successful season. We had a lot of new girls come out for the team on both the distance and sprinting sides. For distance, we had many great personal bests in the mile and 1000m races. The sprinter girls represented Weston well with an 8th place finish at the All-State meet! Overall, we gained a lot of new runners for the seasons to come and should be excited going into the spring season!

The Weston High ski team enjoyed a very successful second season. The team was able to coalesce and work together, and with five students sent to states, it paid off. With remarkable improvements from everyone, it looks like next year will be even better!

This year we had a really successful season. Although it was only our second season as a team, we still had really high expectations. Last year we sent 4 kids to states and this year we sent 5 which was a big accomplishment. Next year we have high hopes for the incoming freshmen and hope that the program continues to grow!

The wrestling team was pretty bomb this year. We had a winning record for the first time since Baldanza, which I attribute to our hard work and busy bees mentality. We had a lot of first timers wrestling in the varsity lineup, and they were valuable members of our wolf pack, despite getting sauced early on in the season. I want to thank my fellow captains, Chuck and Dunbar, for a spectacular four years.

Another turning point, a fork in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test, and don't ask why
It's not a question, but a lesson learned in time

So take the photographs, and still frames in your mind
Hang it on a shelf in good health and good time
Tatoos of memories and dead skin on trial
For what it's worth it was worth all the while

It's something unpredictable, but in the end it's right
We hope you had the time of your life.

Jac- You're my sister and my best friend and I love you more than you know. Growing up with someone like you was truly a blessing, I've never laughed harder with someone in my life, and I feel like I can share absolutely anything with you. From drawing on the walls of our basement with markers, to the ""close the closet"" game, to having spaghetti and meatball food fights in our kitchen, we've truly done it all. You've always had my back, so I want you to know that I'll always have yours. Never stop working hard because you're amazing and deserve the best. Congrats on graduating little sis, good luck at college, and always remember to stay on that daily grind. Love you!!

Young woman, our daughter,
our joy and our heart,
you taught us love unconditional
from that first moment in our arms.

It seems just yesterday
that we held your frightened little hand,
as you started kindergarten
and made new friends.

And now today
a new chapter of life begins,
as childhood and teenage years
(and your simple life) comes to an end.

The world sees the young woman
you have grown to be,
with her charm and her smile,
and own personality.

But behind that young woman,
we will always see,
our beautiful daughter,
our child, our baby.

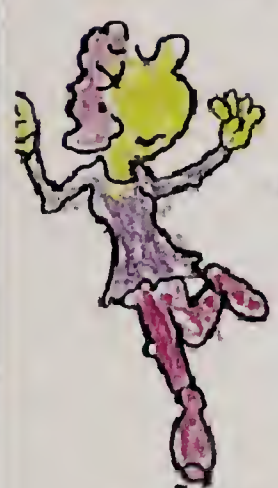
A Self Portrait of Alex



I live in Weston.

I was born on June 6 1995, and I'm 8 years old.

I attend Country School.

I speak English and I would like to learn Chinese.

My favorite subjects at school are Art and Music.

My least favorite subjects are I don't know.

Usually at recess, I play with my friend.

When I'm not at school, I like to play with my Dolls.

I know I am good at Reading.

One thing I would really like to change about myself is my first name.

One person that I really admire is my cousin, Amberly because She spends time with me.

Three words that describe me are funny, Curious and brave.

My family thinks I should do almost anything I want

I think I should do almost anything I want to do.

I hope someday to get a poodle.

Thanks From the Yearbook Staff

PHOTOGRAPHY. Our thanks to Peter Greer, Lifetouch representative, for his willingness to take the pictures we needed--any kind, any time, anywhere--including the senior class picture on the bleachers and candid photos on the field for the Opening Section. Many others deserve our appreciation: Lifetouch for the underclass photos and senior portraits; Ken Barron for sports photos; Weston parents who responded when we needed photos; faculty, staff and club advisers who provided photos for the Faculty and Activities' Section.

LIFETOUCH SUPPORT. Thanks Peter Greer for helping us design and prepare our 2013 yearbook. Your help, support and expertise have been invaluable!

Colophon

PANORAMA 2013, volume 29, was printed by Lifetouch Publishing in Loves Park, IL, and produced by Weston students on the yearbook staff. The book was a 272 page, spring publication with a trim size of 8.5x11 inches; and a press run of 475 copies. Books were sold online through Lifetouch online and through the high school at $85 a book. Very generous parents and sponsors who purchased ad space in the book also financially supported the book. Our theme was "Oh The Places You'll Go!" based on a book from Dr. Seuss. The Panorama office is located at Weston High School in E-wing just beyond Room 200. The office phone number is 781-529-3020, extension 7036. The yearbook website is westonyearbooklounge.com. All student clubs and organizations were encouraged to submit photos and offered similar space.

DESIGN

The cover was designed by Peter Greer using ideas from the yearbook editors. Pages were produced using Lifetouch Volumes online page production application as well as InDesign and Photoshop CS6. The cover is litho printed with matte lamination. Other applications include debossing with silver foil, embossing (to register) silver silkscreen. Balloons are blind embossed. 100# gloss text paper was used throughout.

PHOTOGRAPHY

Panorama staffers took many of the photos. Ken Barron, Peter Greer and Lifetouch also took many faculty, candid, sports, most senior portraits, and all underclass portraits. Parents of seniors provided the photos for the recognition Ads section.
